Mystery BEER WEEKEND

Official Ballot

HOW THIS WORKS (DON'T BE SCARED...)

Starting at Noon on September 4, we'll tap 3 rounds of 11 different styles of beer—33 beers total during the whole weekend! It's up to you to taste them all and tell us what you're drinking from the list of clues above. Haven't been at the bar since the 1st round of kegs were tapped?
Ask your server what round you're currently tasting!

Ballots must be turned in by 4pm on Sunday September 6 and will be tallied by a panel of not-too-intoxicated judges. The winner will be announced around 5pm.
